Appeal for Information

On 13 July 2015 (Monday) at about 7.40am, a pink carrier was spotted along a walkway on Bukit Batok Road heading towards PIE just after the Traffic Police speed camera. On arrival at the scene, the carrier was found to be empty but a rabbit was found dead on the left lane of the road, run over multiple times by vehicles. Tufts of white fur and rabbit poo were observed in the carrier. This is the second incident of such nature in less than a month in the same location. The first was of five rabbits abandoned in a blue carrier at the same location.

The SPCA is urging anyone with information in relation to this incident to call our 24-hour hotline at 62875355 (ext. 9), or e-mail inspector@sPCA.org.sg. Information provided will be treated in the strictest of confidence.

**** Under the Animals and Birds Act, anyone who is found guilty of cruelty to animals, including abandonment of any animal, can be imprisoned for up to 18 months, fined up to \$15,000, or both.***
