

## **List of Notifiable Diseases**

The SPCA and NParks/AVS should be notified if any animal comes down with one or more of the following diseases.

1. Leishmaniosis
2. Leptospirosis
3. Lyme disease
4. Melioidosis
5. Rabies
6. Toxoplasmosis

***Note: The list of diseases above is subjected to change based on NParks/AVS' directives.***
