

Sponsorship of SPCA Cat

The SPCA is looking for kind supporters to sponsor a long-term resident cat

What will your donation provide?

Your donation will be used for the care of your sponsored cat's daily needs such as food, treats, maintenance of his/her nursery/cattery and medical expenses (including vaccinations and medications)

As an acknowledgement, we will place a plaque with your name and/or message (e.g. "Sponsored by ... "In Memory of") on the Sponsor A Cat webpage and at our shelter.

You will receive monthly photographs and updates of your sponsored cats via WhatsApp. Of course, you could arrange to have interaction time with your sponsored fur kid. However, this requires prior appointment and the type of interaction will depend on his/her personality.

How much does it cost?

It would cost an estimate of \$125.00 per month for each cat that is up for sponsorship.

What do I/we need to do?

Just fill in the details below, post this form and a cheque made payable to 'SPCA' to the above address, and we will do the rest! Then, keep in touch through our website/Facebook for stories of successful adoptions or updates about the SPCA
