

Sponsorship of SPCA Kennel

The SPCA is looking for kind-hearted dog lovers who are willing to sponsor one of the many kennels on an annual basis.

What will your donation provide?

Your donation will be used for the care of all the dogs who are accommodated in your sponsored kennel and for the maintenance of the kennel during the year.

As an acknowledgement, we will place a plaque with your message (e.g. "In Memory of") above your adopted kennel and on SPCA's website.

You will receive quarterly photographs of some of the dogs who passed through your kennel on their way to a new & loving home, as well as a small write-up on each of these dogs

How much does it cost?

Each kennel & its occupants cost approximately \$300.00 per month – for upkeep, food, water, toys, bed all the things a stray or unwanted doggie needs to be active and healthy.

To be a sole sponsor of the kennel for 1 year, a donation of \$3,500.00 is required. For the supersized kennels \$5,000.00 is needed. You may also combine donations with your friends, co-workers, family members to sponsor a kennel.

What do I/we need to do?

Just fill in the details below, post this form and a cheque made payable to 'SPCA' to the above address, and we will do the rest! Then feel free to visit your kennel and its temporary occupants during the shelter's opening hours – or keep in touch through our website / facebook for stories of successful adoptions.
