Adoption Spotlight

If you want an, affectionate, lovable mongrel girl pup of 6 months that's playful but quiet, Ariel's the dog for you! Moreover, she's eligible for Project ADORE, which means an HDB resident could adopt her. Come meet her at our shelter and find out more!

Inspectorate

In July we were notified of the abandonment of two rabbits at Maude Road. An SPCA notice appealing for information was put up at the block by the town council. We also lodged a police report and the case has since been referred to the Agri-Food and Veterinary Authority. One of the rabbits, which died soon after, was half its natural body weight. The second rabbit has since found a new home through our adoption programme.

Animal Welfare

There's still time to **submit your views and opinions on animal welfare legislation** to the Singapore government. The e-consultation set up by the Animal Welfare Legislation Review Committee is on until 5 October at the government's [REACH portal](#). Use this opportunity to help the animal welfare cause and let the government know that more needs to be done and how.

Animal Rescue

While our nation was celebrating its 47th National Day, our Animal Rescue Officers were busy getting an injured stray dog out of a canal. The black and white, male cross breed was found inside the drain by kind passers-by who alerted us. Our Animal Rescue Officers rushed down and together managed to carry the dog up. Our emergency hotline is available 24 hours a day at 6287 5355 (ext. 9).

Happy Ending

Sally is a lovely little girl. So friendly and play full and follow us all the time. She sleeps next to me all nights and is just like my third daughter. Next week we will start the dog training with Kang Nee. So, thank you all for the help when we adopted Sally. If we had more space at home we would come back and bring Widget and Ida as well! - Lovisa Seleskog with family

NB: Sally came to us at 6 months old with what appeared to be a scar from having something tied around her muzzle. Despite her hard start in life, she is a complete sweetheart. Thank you to the Seleskog family for giving our Sally a loving forever home!
