I refer to the letter from Mika Sampovaara (ST On-line Forum, 27th August) and would like to thank her for the positive feedback in relation to SPCA offering a reward of \$1,000 in the recent case of a cat found mutilated at West Coast Car Mart. We strongly agree with the writer that custodial sentences should be meted out by the courts for animal abusers who maim, injure or kill an animal.

Thanks to two kind animal lovers, Mrs. Fiona Audrey Rankine and Mr. Herbin Chia, the reward has now been increased to \$6,000 in total. We hope that anyone who has any information that can lead to the arrest and prosecution of the perpetrator will come forward and inform the SPCA at 62875355. The public can read more on animal abuse at www.spca.org.sg.

Yours sincerely,
