Sponsorship of SPCA Nursery

The SPCA is looking for kind-hearted animal lovers who are willing to sponsor SPCA's Nursery on an annual basis.

What will your donation provide?

Your donation will be used for the care of all the young and small animals who are accommodated in the nursery and for the maintenance of the nursery during the year.

As an acknowledgement, we will place a plaque with your message (*e.g. "In Memory of ….")* on the nursery door.

You will receive quarterly photographs of some of the young and small animals who passed through the nursery on their way to a new & loving home, as well as a small write-up on each.

How much does it cost?

The nursery costs an estimated $3,500.00 per month – for upkeep, food, water, toys, bed, litter …. all the things stray or unwanted kittens and small animals need.

To be a sole sponsor of the nursery area for 1 year, a donation of $42,000.00 is required. However, SPCA also welcomes multiple sponsorships of $1,500.00 which still come with all the benefits above.

What do I need to do?

Just fill in the details below, post this form and a cheque made payable to 'SPCA' to the above address, and we will do the rest! Then feel free to come visit the nursery and its temporary occupants during the shelter's opening hours – or keep in touch through our website / facebook for stories of successful adoptions.

NURSERY SPONSORSHIP - REPLY PORTION
